

TAP INTO THE
GENIUS
IN YOU

DR. MELISSA HUGHES
AUTHOR & KEYNOTE SPEAKER

Dr. Hughes is a self-proclaimed neuroscience geek and the author of two best-selling books, *Happy Hour with Einstein* and *Happy Hour with Einstein: Another Round*. Dr. Hughes applies neuroscience and behavioral science to the way we work, learn, and live for incredible outcomes.

With energy and humor, Melissa educates and inspires people to tap into their inner genius for extraordinary results.

“Melissa delivered a fantastic keynote at our annual Global Product Forum with attendees representing North America, South America, Asia, and Europe. She was able to connect scientific concepts about the brain with company culture and make it relevant to a diverse global audience. More importantly, her energy and passion are simply infectious! I highly recommend Melissa to anyone looking for a dynamic speaker to create an exceptional attendee experience.”

-Frank T. Young
President, Product, Integrated Payments and Vertical Markets, Global Payments.
